

# CHAVARA PUBLIC SCHOOL

## ANNUAL REPORT 2023-24

Good Evening Ladies and gentlemen we are profoundly delighted to present annual report of year 2023-24

Chavara public school strives to provide the best in class academics, arts, social, spiritual, sports, extracurricular, facilities and staff to galvanize the hidden talents of student.

Our motto is to develop successful learners and ethical individuals ready to face an intensely competitive world today.

We are going to tell about the consistent upward graph of the schools endeavors and achievement in our pursuit of excellence.

### OVERALL HOLISTIC DEVELOPMENT

Yes, it is nothing less than oxford stepped in from London to Dhule .Chavara Public School has become epicenter of learning, in this developing district. Chavarites have been delighted from the experience of pure symphony of knowledge, curiosity wisdom and discipline.

As a result of this holistic development we have made alumni-network of students studying in many prestigious institutions of India. Not only do the chavarites rocks in various competitive exams but the brightest minds here have gone on to make world records. News was full states and division toppers from the batch "batch science-88" of this school Tanish Bardiya- 98.47%, The true reason of this marvelous results is the focus of the school on the holistic development of all the children.

### ACADEMICS

This school stretches the student beyond traditional and academic pathways students grow intellectually and creatively expanding their problem solving capability. For this our school conducts weekly subject evolution test a structure initiative to access the academic progress of the students. One of the

school initiative is project expo which allow students to gain hands on experience in their respective subject. Our school organizes event to express appreciation for our graduating kindergarten students. Additionally our school has established a spectrum of subject specific clubs.

Our school organizes picnics and excurtions, which also encourage practical learning and is perfect mix of fun and relaxation for students and also farewell arranged for our 10th standard batch are big deal as this is the time to celebrate the memories appreciate friendships.

## SOCIAL

Elections are held every year in school. The members are elected by students every year. Campaign starts in our school before elections. Secret ballots are held and students elect their candidates.

On 5 june school celebrates it with the encouraging awareness and action for the protection of the environment.

On 15 august school celebrate independence day patratioic dance, singing and speeches. Our school patrotically celebrate independence day with dignified and heartfelt commemoration

We celebrate teachers day for invaluable impact dedication to educators for shaping minds and fostering social development

Gandhi jayanti is one of the national festivals. At the outset school practices cleanliness, and garland the statue of Gandhi ji.

School arranges acts about religious events. Giving core moral values from them and inculcating them in our students. [Diwali]

Despite daily schedule and academics school arranges programs on childrens day for absolute enjoyment.

On Christmas celebrations , students participate in various activities. Various acts and stories are taught to the students of the birth of lord Jesus.

On 26 January it holds a special place in heart of chavarites and that day marks with the adoption of the constitution of India.

Charity day campaign raises awareness of an issues, fundraising, or getting people to take a specific action. School collects charity overall year and donates it. Arranges food stalls and games etc.

## EXTRA-CURRICULAR ACTIVITIES

Extra- curricular activities are the food for brain, it ignites us to develop our capabilities, enrich our minds, pulse our neurons with extra knowledge and the enthusiasm of the school and it's management to take painstaking efforts to provide them the opportunities of various competitive exams.

Chavara Public School held a lot of competitive exams this academic year

Like NSO Olympiads, Spell Bee, Elementary and Intermediate, IMC(International Mathematics Contest), Homibhabha, Scholarship, MTS(Maharashtra Talent Search), IOQM and NTS.

## ARTS

Where imagination meets expression here at Chavara the school focuses exponentially to enhance the skills in the students Every year it organizes various competitions to test these skills and give them a stage to showcase them. However, the main event of the school is Talentia , a event full of artistic competitions , the pure heaven of new ideas and unique arts which can't be seen anywhere but here .And also class wise assembly is conducted which is a great, powerful way for students to showcase their topic through dance ,singing ,skit ,informative video clip.

Our chavarites have achieved many prizes in artistic competitions. Like this year our senior group won first prize in interschool patriotic singing competition. The school has specialized coaches to lead the way for students on the fantastic journey of singing, dance, drawing, painting and what not.

## SPORTS

Sports, beyond a mere physical endeavor, intricately weaves the tapestry of discipline and camaraderie, offering a universal language that unites diverse societies through the pursuit of excellence and shared passion.

Our chavarithes are also not far behind in this field.

To name a few of them,

Our school's Football team, Badminton team, Swimming team won interschool matches.

Gymnastics team, carrom team won the interschool and selected for division level.

## SPIRITUAL

This is about physical health but development of the mental strength is also necessary.

Akasham patitam deveam yeta gachati sagaram . sarva devam namaskaram  
keshavam prati gachati

The school prays regularly every day before commencing their studies.

## FACILITIES AND STAFF

For better enrichment of knowledge our School has stepped forward in creating various study and activity oriented clubs. it also provides a music room with incredible instruments, sports room and dance room for the students .along with the dedicated labs for each subject.

Our school has qualified rehabilitation psychologist, who analyses students academics, emotions, personality, and behavior. Our school organizes life skills training programs, psychological test administration, aptitude test and career guidance.

Our school priorities to 24/7 security with CCTV surveillance (and identity card detectors installed) everywhere in the school. Our ~~wertyuiop~~ schools library contains an array of more than 14000 marvelous books. The classroom spacious and airy to provide a positive learning environment.

Interactive smart panels and board also have been set up in the each class for better teaching and learning.

## WE CONCLUDE SAYING:

The spark of education transforms today's toddlers into tomorrow's dynamic citizens. Let's keep the torch of education always lit and march forward to make this world a better place tomorrow.
